

Familiar images reappear and new messages come to light, as we see again the Lamb and His 144000, and hear of the messages from the three angels. These messages span the course of the Christian church but are particularly special for God's end time church. Just as the Revelation was given to John by an angel to share with the body of believers, so we receive these messages from three angels to share to the entire world just before He comes. Why? There is a harvest to come, earth's climax is on the horizon, and the return of the King is nearer than when we first believed.
